Glow: Light Up The Woods!

Oct 20-Nov 25

The gallery committee thought it important to challenge the membership by creating an exhibition that takes them out of their comfort zone each year. This year the exhibition will be installations on the grounds that involve using of lighting and will occur during ACA's yearly fundraiser, the Halloween Bash. Well known artist Valerie Mann will act as our juror and guide members in thinking through their proposals, select the top ten and award prizes. A special series of talks and workshops by Valerie will introduce how to design a work and create a proposal. See dates below. Valerie will also show her work in the ACA gallery during the run of GLOW.
