### **Compound Fracture** Mon Oct 14-Sun Nov 17, 2024 5 weeks

Based on the Dada Exquisite Corpse. Hang paper 22"x30" around the walls of the gallery with one artist per panel. Two-three artists at a time will work at opposite ends in the gallery during gallery open hours, Thurs-Sun. The previous artist's work will be covered with only where to connect the images apparent to the succeeding adjacent artist in an attempt to make the collective image cohesive. A total of 36 members will participate. The theme will be based on Halloween and the work as a whole will be revealed during the reception. Each member participating can work in any 2D media and will select a prompt for their subject matter from a list prepared by the gallery committee ahead of the day they work in the gallery.
